Summer 1 | **April 2022**

Hello and welcome back to Year 6!

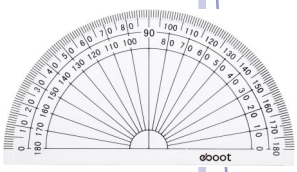
Welcome back to the Summer term of Year 6!

We would like to take the opportunity to let you know about some of the things we will be learning about this half term and how we will make the preparation for SATs as easy as possible.

Throughout our English lessons we will be writing to inform and writing a sports commentary. This will teach the children to write in an informal style and will hopefully appeal to lots of their interests!

In Maths, we will be focusing on properties of shape with a strong focus on angles. The children will be taught to use a protractor and draw shapes with a specific size angle.



This half term, Year 6 are lucky enough to have Sale Sharks teach their PE and PSHE lessons. They will learn tag rugby and the benefits of eating well.

Boosters will run every Tuesday, Wednesday and Thursday until SATS have finished. These are a great opportunity to fill gaps in learning and build confidence.
