Friday 15th March

Headteacher Message

Thank you to all the parents for attending the Reading Week assembly last week and for the positive and constructive feedback we received on your parent questionnaires. It was a delight to share the activities and photos from World Book Day and Reading Week. We hope you enjoyed collecting your free book at the assembly for you to read with your child. We were amazed at the number of children who took part in the "Share A Story Challenge" and the extra information from parents about the different ways their child achieved the challenges. All the children who returned the challenge sheets were entered into a prize draw and the winners received books and vouchers as a reward.

This week we have celebrated Comic Relief and we will donate all the funds raised by the sale of red noses to this worthy cause. Thank you to everyone who donated chocolate and Easter Eggs as part of Mad Hatter's Day. These donations will be used at our Easter bingo event in the last week of term.

As always, your generosity and support for the school is greatly appreciated. Many

Thanks

Miss Edwards

Anita Edwards
Executive Headteacher

Parent Meeting

Following various school events we have been asking for parents to complete questionnaires to give the school some feedback on improvements that may be required and what we are doing well. The most recent questionnaires are parents asking for further understanding and clarification on the school reports we send home at the end of each term.

Therefore, we would like to invite you to attend a short meeting on Thursday **28th March** at **2.45pm** at Forest Gate Academy. This will be a chance to have the reports explained and a chance for you to ask any questions.

Thank you again to all our parents who have completed feedback questionnaires and we look forward to seeing you on the 28th!

Nursery Cooking Club

Nursery cooking club have been baking up lot of treats. This week they made gingerbread men after having the story read to them. But don't worry our gingerbread men did not run away!

Dates for your Diary

Monday 25th March
– EYFS Mothers Day assembly 2.30pm

Whole School (Sept to date)	96.5
Target 97%	

Year 5

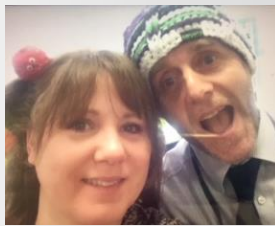

On Tuesday morning, Year 5 were visited by an alien called Mr Hhhheeeee. He came to explain why he wanted to take over the planet and what his intentions were. He explained that his planet was dying and he needed to relocate to Earth. The children asked him a series of questions. They used this learning to write an introductory paragraph to their 'How to Catch a Space Alien' instructional text.

Mad Hatters
