Headteacher Message

I'm sure you will have already noticed that we have recently completed our field development and we now have an extensive all-weather sports pitch. The children have already started to use this incredible new facility for their PE lessons, playtimes, clubs and lunchtime play. In the last 2 years we have been working hard behind the scenes to develop the school site, make improvements and ensure it is fit for purpose. Developments have included the main school entrance, library area, intervention room, Y4 classrooms and our new sports pitch. These developments have added to the safety of the site as well as opening up opportunities for the children to access improved educational facilities. We strive to provide the best facilities for our families and will continue to make improvements where we can. It has been hugely enjoyable to see the children appreciating this new area and having more space to play and learn at school. If you haven't had chance to see the new pitch please see the photos overleaf.

Thanks
Miss Edwards

Girls Football Team

On Thursday The FGA Girl's Football Team attended the regional finals at MUFC Cliff Training Ground. They were excellent again. Never giving up. Working together as a team. Playing with integrity, passion and drive. The winners from each group went onto the final. Unfortunately we just missed out on getting to this stage, however qualifying for the regional finals is a fantastic achievement. Well done team!
