Headteacher Message

Thank you to our children and families for the fantastic support they showed us during Red Nose Day and our Mad Hair event last week. The school was vibrant and fun-filled as we continued our learning. There were many wild and crazy creations and I'm sure parents had been up since the crack of dawn to create them! A great effort all round! We raised funds for Comic Relief as well as receiving lots of donations for our upcoming Easter Bingo event as a result. Thank you for your generosity. We welcome everyone to the bingo event next week and hope you manage to win lots of Easter prizes! This term is already coming to an end and the children finish on Thursday 28th March for a two week break. Please note that we return to school on **Monday 15th April** for the start of the summer term.

Anita Edwards
Executive Headteacher

In response to recent feedback from parents, Mrs Higginson will be holding a meeting to further explain the information that you receive on your child's progress. Some parents have explained that they would like an opportunity to talk about the information they receive and how this reflects the abilities of their child. This meeting relates to the pupil reports that are sent out each term and will provide an opportunity for you to ask any questions you have. The meeting will take place next week on Thursday 28th March at 2.45pm.

Art Club

On Thursday the children in Art Club created 3D pictures of their hands. Over the last few weeks they have learnt how to use collage, tone and painting techniques. Mrs Jennings has been extremely impressed with their creations. Their 'Space' pictures are currently on display in the KS1 corridor.

Drama Club

During drama club this term, we have been exploring characters using improvisation and costume!

Year 5

On Tuesday, Year 5 worked out an algorithm for the new triangle dance craze during their ICT lesson. Then during PE we tested out our algorithms to check if they worked. There may have been a few sore toes, but everyone managed to master this crazy dance, even Mr Henderson!

Reading at home

Regular reading has the biggest impact on childrens' learning. Research shows that it extends vocabulary which in turn can improve achievement in all curriculum subjects, not just English! With this in mind, it is important that children read every night after school. This only needs to be for approx. 10-15 minutes but has huge benefits. Please ensure you sign your child's reading record to demonstrate that this is being done.
