Headteacher Message

We hope you all enjoyed the extended weekend and Easter celebrations last week. It was an extra bonus to have such unseasonably warm weather!

This time of year is a crucial period of learning for our children. It marks the final few months for the pupils to achieve the curriculum objectives for their current school year. It is also a period in the school calendar when there are lots of events taking place, which allows us celebrate successes and showcases the achievements of our pupils. There will be many opportunities for parents to join us and see how well the pupils are performing. Next week we will be sending out the summer events list. One key date for your diary is our Dean Trust Summer Fair that is held at Broadoak School. This is a great example of the partnership across the primary/secondary schools and presents the perfect opportunity for you to get to know the school and staff. It's a great opportunity for a little fun in the sun (hopefully!) and takes place on **Saturday 13th July**. We hope you can join us!

Thank you for your continued support.

Year 2

This week year 2 went on a dragon hunt, where we found a dragon's egg! We came back to class to write about what we had found and waited for the egg to hatch! A special thank you to Jo and Gary the dragon for visiting us.

Earth Day

On Tuesday, the children participated in a whole school Earth day event. The children learnt about the unprecedented global destruction and rapid reduction of plant and wildlife populations and that this is directly linked to causes driven by human activity, such as: climate change, deforestation, habitat loss, trafficking and poaching, unsustainable agriculture, pollution and pesticides to name a few. The children then made an eco-fish made from recyclable materials.

Family Fun Day Prize Draw

The 'Family Fun Day' prize draw is now an established highlight of the school's calendar and is celebrating its second year. All students who achieve 97% or greater attendance are entered into a termly draw. The lucky winner can choose a day out at a local attraction for themselves and their family as a prize. Chester Zoo and the Blue Planet Aquarium have proven to be popular choices so far. Others have opted for 'Lego land' and attractions closer to the Trafford Centre. This term's lucky winner was Kaitlyn Renshaw, from Reception. Her parents, brothers and sisters were delighted on hearing the news of the win. All the family are carefully considering the venue for their fantastic day out, which they will enjoy later this year. Mrs Donaghy said, "Kaitlyn is a very deserving winner who has great school attendance. I'm sure her family will have a super day out and enjoy this fantastic opportunity". She continued, "Great school attendance is without doubt the best choice and the range of rewards and prizes we give just shows how much we value our students' efforts to attend school and learn".

The Family Fun Day draw will return at the end of the Summer Term.
