Headteacher Message

At the start of this year we set ourselves the challenge of improving attendance to meet the national average (96.2%), with an aspirational target of 97%. This is something that the school has never achieved in its recent history. As with all initiatives and challenges at Forest Gate, our children and their families have worked relentlessly to try and help us achieve this. We are really excited that our attendance rate for this academic year so far is 96.5%! This is a fantastic improvement on previous years and reflects the culture in our community that all children should attend school every day. I would like to extend my personal thanks to all parents for keeping us so well informed about any absences and for making sure your children are always in school. The children also deserve a special mention for being such enthusiastic learners and for encouraging each other to attend school every day. It is fantastic to see how proud the children are when they receive their 100% Club stickers and bronze/silver awards, or when their class wins the best attendance. Please keep up all your hard work and I'm sure we can continue with such high levels of attendance! It's a great achievement and reflects the commitment of all our pupils and parents. Thank you!

Filming Project – Thank you to all the parents who recently helped the film crew who were in school to film a promotional video. I think we have some budding actors in our midst!

Nursery

Nursery have really enjoyed learning about Jack and the Beanstalk and growing plants. We have made our own story maps, acted out the story in the small world and even planted our own beanstalks. We're getting ready to hunt for Giants.

Year 2 Multi Skills

This week year 2 attended a multi skills event at Altrincham leisure centre. They took part in a range of different activities and had a great time.

Year 5

This week Year 5 have continued to study the genre of play scripts. They have analysed the characters within the play, looking at their role within the plot and their character traits. They have been scrutinising stage directions and what effect this has on their performance of a character. On Tuesday they performed the first scene of the play 'The Zoo Outside Liverpool'. There were some exceptional performances, I think we might have a few future actors for Hollywood!

Reception

As part of this term's topic the Reception children are growing their own fruit and vegetables.

If any families have any fruit or vegetable plants that they wish to donate they would be greatly received. Thank you.
