Headteacher Message

On Saturday 13th July (1pm-4pm) Broadoak are hosting our annual summer fair. This is a joint fair which celebrates The Dean Trust schools in Partington. Our parent council have kindly volunteered to support the event and they will be running their own stalls. Please can we ask for any prize donations to be handed in to Miss McDermott at our main office. All donations are greatly appreciated! These donations will be used on the tombola stall.

There will be a variety of activities for children of all ages as well as music, food and drink. The event was a huge success last year and we hope you will all join us again for this fabulous event!

Anita Edwards
Executive Headteacher

Well done to our hard working Y1 children who have been completing their phonics screening checks this week. Phonics lessons take place every day and children have been improving their skills all year. The phonics screening checks are a national assessment to check whether pupils are at the expected standard for their age. This will be reported to parents in the end of year pupil reports. We are delighted at how well the children have progressed in phonics this year and it's good to see all their hard work pay off.

Leading Parent Partnership Award (LPPA)

Forest Gate have started their journey towards achieving the LPPA. The **Leading Parent Partnership Award** gives schools a coherent framework to deliver effective parental engagement from early years to post-16. Through this award, schools can meet a number of longer term success criteria, such as improved pupil progress, punctuality, attendance and behaviour and increased parental involvement in school life.

The school will produce an evidence portfolio that can easily demonstrate, to Ofsted inspectors and other stakeholders, that the school has an outstanding and sustainable programme for parental engagement.

Over the next few months we will be asking for support, advice and feedback from parents to help us achieve this award.

If there are any questions, please see Mrs Higginson.

Reception

Please remember that the parent welcome meeting for children starting our Reception class is on Wednesday the 19th of June at 9.15am. We would also like to invite you and your child to our open afternoon on Wednesday the 3rd of July at 1.30pm. These events give you the opportunity to meet our Reception team and to find out about the EYFS curriculum.

Nursery

Nursery would also like to invite you and your child to our open afternoon on Wednesday the 3rd July at 2pm. This is a chance for you to have a look around the school and to meet the Early Years team.

Year 5

Last week, Year 5 ventured to Gulliver's World in Warrington to further explore their current Science topic 'Forces'. The children attended a workshop exploring the way gravity works in a theme park and is used to create fun. The children had to design their own theme park ride and present their ideas to the class. After lunch the children had the opportunity to discover the effects of gravity within the park!

EYFS

Last week Nursery and Reception learnt all about Ramadan and the festival Eid. Their learning culminated with an Eid celebration on Friday which all the children thoroughly enjoyed. The children looked at a range of Islamic artefacts and took part in a range of craft activities including making classroom decorations and making their own mehndi patterns. Reception class wrote fact files and nursery made celebration cards. Both classes cooked some special Indian food and enjoyed tasting it. The teachers all wore traditional salwar kameez and sarees.

Friday 21st June Fun Day

Manchester Day is celebrated every year in central Manchester with a carnival and parade. It celebrates everything that's good about Manchester – its diverse culture, unique history, music scene, sports etc.

On Friday 21st June we will ask children to come in with festival/carnival hats and headwear and donate 50p or a prize for the summer fair tombola. All other uniform remains the same.

During the day children will have the opportunity to make carnival hats, learn about the history of Manchester (e.g. industry, suffragettes etc.), study the geography (e.g. canal network, travel networks), listen to music from Manchester bands, study artwork (e.g. Lowry), explore the diverse culture, sports rivalries, architecture.....the opportunities are endless!
