## Headteacher Message

As we move into the final week, it's hard to believe that we are already at the end of the academic year. I would like to congratulate our Year 6 children on their SATs results alongside all their other achievements this year.

They have demonstrated many skills throughout their time at primary school, not least their outstanding work ethic and ability to face challenge and overcome difficulties. They have demonstrated artistic talent, sporting ability, creative flair and led the school by example throughout the year. These skills and achievements will enable them to meet the challenges of high school as they leave us to continue their educational journey.

It has been a pleasure to be their Headteacher during their time at Forest Gate Academy and I am very proud of the way they have strived to apply our school values in everything that they have done. On behalf of everyone at The Dean Trust I would like to express our congratulations and wish all the children best of luck for the future. Good luck!
