Headteacher Comment

Children in our Early Years department have been a delight in the first few weeks of term! This is particularly encouraging considering that they missed the full transition process and some of these children had not had the chance to visit us before they started. They have all had a very positive start to the school year and have settled into their routines brilliantly. They are impressing their teachers with their skills and abilities and are developing strong relationships with the other children and the Early Years staff. A very impressive start!

I am having amazing feedback about all of our year groups and during my visits to classrooms I am very impressed with the level of learning that is taking place. It is hard to believe that these children missed 5 months of education in school! Well done to all the parents that have been home schooling in this time!

A final word of thanks to all our children - in every year group - who have made returning to school a pleasure in the last few weeks and are working diligently to catch up on the curriculum.

Thank you
Mrs Higginson

Reminders

- **Bikes/scooters** = Please remember that currently bikes and scooters cannot be stored on school property during the day. Thank you.
- **Local lockdown** = With new guidance from the government coming out each week the rules we are expected to follow can be confusing. In Trafford we are still in local lockdown, this means we are not permitted to mix with any other households at this time. Please make sure children aren't staying at each other's houses and that you are maintaining 2m distance from other children/adults on pick up and collection.
- **Y1** = Home time pick up will be from the hall door for the foreseeable future.
- **Y6** = Finish time is now 3.05pm.

Year 5

We went on a creature hunt in our woods and discovered a large variety of insects, which we classified them by name and groups. This task caused us some shrieking!

Nursery

Nursery have been busy settling in and making friends. We have been learning all about our marvellous bodies. We have discovered that inside our bodies we have a skeleton and have really enjoyed exploring our 5 senses (especially the taste test) and talking about our feelings.
