Headteacher Comment

As you will be aware, the government announcement this week means that the full relaxation of Covid regulations will no longer take place on the 21st June and restrictions have now been extended for a further 4 weeks. Unfortunately this impacts on some of the events we had hoped to invite parents to at the end of term. However, we will be trying our utmost to make sure that all the children still get to experience these events as they usually would.

With measures still in place, the health and safety of our school community remains our highest priority. We will be continuing to implement our Covid risk assessment and the related protocols in school. Please notify us as soon as possible if your child has symptoms, has been in contact with a positive case or has tested positive themselves. Please remember to follow all the government guidelines for mixing with others so that we can keep infections to a minimum in our community. Thank you for your help and support with the continuing pandemic.

Mrs Higginson

Katy Higginson
Head of School

As many of you will be aware the Hope Centre in Partington has been supporting local residents throughout the pandemic as part of the Hideaway. This project has evolved over time and thanks to the incredible partnerships that have been formed they are now in a position to be able to launch the Hope Centre as a long term community hub at the heart of Partington on Wood Lane. They are officially launching their new site on 25th June and would love you to join them, along with anyone else that may like to visit.

Attendance	
Week Ending	
18.06.2021	
R	98.3
Y1	94.5
Y2	98.8
Y3	93.7
Y4	98.2
Y5	98.3
Y6	94.1
Whole School (weekly)	96.5
Whole School (Sept to date)	95.8
Target 97%	

Nursery were shocked to find some unusual footprints around the classroom. They followed them and discovered a large, strange egg. After lots of research they worked out it was a dinosaur egg but the mystery remained as to what type of dinosaur was inside. Nursery have worked really hard to learn all about different dinosaurs in preparation for the baby dinosaur to hatch. They explored what the world was like when dinosaurs roamed the earth and especially enjoyed making and erupting their own Volcanoes (somehow school survived 26 volcanoes erupting). However, on Monday Nursery returned to school to find the egg had hatched but no sign of the baby dinosaur. They searched high and low, made posters and created dinosaur food. Finally on Wednesday, the enormous T-rex reappeared. That's right! It was a baby Tyrannosaurus Rex... eek!

Dates for your Diary

Friday 25th June
– INSET DAY

Monday 28th June – School Photos
(individual photos) 

Thursday 1st July
KS1 & KS2 Sports day

Friday 2nd July – EYFS Sports day

A reminder that school is closed to pupils on Friday 25th June for INSET day.

REMINDER

Maths Sheds

This week, our new Maths Ambassadors opened the new Maths Sheds. The sheds are filled with fun ways for the children to interact with Maths at break times.

Year 5

This week, Year 5 joined a webinar with author Tom Palmer, to talk about his Euro 2020 live story. Tom Palmer also sent a shout out to Forest Gate during the webinar. The class were able to send Tom suggestions for his next chapter of his book. Adam suggested that the ghost of Henry VIII should try and sabotage the Euro's as he didn't like football! Tom's assistant emailed back to say he thought this was a great suggestion.

Hello Mrs Jennings
Thank you again for your wonderful ideas!

Tom really appreciated you getting in touch.

We hope you have enjoyed the story today.

Many thanks and keep well

Rebecca

Year 3

Year 3 are very lucky to be being taught by a professional rugby player, Laura, from the Sale Sharks womens team. Laura teaches us all about healthy eating, what foods we should be eating the most/least of, what foods fill us up the most and what nutrients each food group gives us. She then teaches us how to play tag rugby, we have learnt how to hold a rugby ball, how to pass and catch it. We have begun to start scoring tries which is one way to score points in rugby! We are looking forward to the rest of our lessons with Laura!

School Values & Stars of the Week

- Nursery = Che Lloyd & Jaxon Green
- Rec = Jessica Hales & Lyla Lloyd
- Y1 = Roman Berry, Caelan Hand, Grace Panayiotou, Daeton Eaton, Emily Barry, Tayo Lamb and Skye Wilson
- Y2 = Harry Chadwick & Aidan Hill
- Y3 = Brayden Matley & Darcey Higginbottom
- Y4 = Kyria Goma Moukala & Gemila Banda
- Y5 = Lillie-Mae Seatree & Korcan Guler
- Y6 = Josh Lavin & Lilliah Jackson

Year 6 Football

This week, FGA Year 6 Footballers played against Our Lady of Lourdes. Our players were amazing and scored a flurry of goals. Paul Oyedemi was our team captain, who ensured everyone understood their role in the team. Lilliah was voted as player of the match and scored a world class half way line goal! Miss Tranter, Mrs Jennings and Mr Henderson were immensely proud of the sportsmanship showed throughout the game. Another win for FGA!
