Summer 1

April 2021

## Hello and welcome back to Year 3!

In the classroom this year the teachers are Miss Hicks and Mr Banks. Our class novel this half term will be *The boy who Biked the World: Travelling the Americas*. We are looking forward to a fulfilling and exciting summer term.

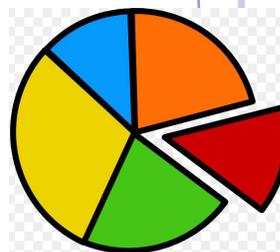

Welcome back to the summer term of year 3! We would like to take the opportunity to let you know about some of the things we will be learning about.

In English we are looking at diary entries. We will be learning about the purpose of a diary entry and reading diaries written in different styles. We would like your child to keep a weekend diary at home.

In Maths we will be starting our money topic and moving onto fractions. We will begin

to set homework surrounding the fractions topic, and are always thankful for your continued support at home.

In topic lessons we are looking forward to learn about the Romans, how their life was different from ours and how their legacy has impacted us. In science we will be learning about animals including humans.

In PSHE, we will be looking at pupils mental health and well being. There will be a big focus on encouraging children to talk about their feelings.
