## Headteacher Comment

This week is National Road Safety Week so we have been investigating road safety and cycle safety. Taking part in this national theme is a great way to educate children about the dangers on the road and promote safe crossing and cycling. One of the key ways we can keep our children safe is to make sure that we drive and park responsibly, especially at school drop off/pick up times. Children sometimes have less awareness of the dangers around them so it is up to us as adults to make sure we park safely and reduce our speed around the local area. With this in mind, please park in appropriate areas outside school and do not block pavements when parking.

We have lots of events to look forward to and a return to the Christmas calendar (fingers crossed that Covid doesn't spoil our plans!). Please keep your eyes on the weekly newsletter for the diary dates and parent events. These will also be shared via SchoolPing. Please make sure you can access SchoolPing so that you don't miss any of this information.

Thanks

## Year 4 Trip

Year 4 went to the AJ Bell stadium for a tag rugby festival where they played lots of games which involved dodging, passing, catching and scoring tries. The children then went into the stadium and watched Sale Sharks vs Newcastle Falcons, the sharks played an amazing match and won 25-22. They loved watching it and were brilliant cheerleaders from the side with the chant "Sale Sharks." They were all a credit to the school and had lots of lovely comments about their behaviour and enthusiasm!

## Year 4

Year 4 had a great time on their trip to the Whitworth Gallery in Manchester on Wednesday. We met artist Gemma Potter, who taught us how to turn our sketched patterns into Minecraft objects! This was a great way to learn more about integrating digital media into art.

## Polar Explorer Workshop

Nursery and Reception want to say a huge thank you to Dan-Tastic who came into school to run a Polar Explorer Workshop.

They learnt all about the Antarctica (south pole) and the Arctic (the north pole). They explored what animals and things we would find and got to see what it would be like. They got to hold a range of polar artefacts including a Walrus tusk, Polar Bear claws, seal furs and a killer whales tooth. They got to learn about some of the famous explorers who travelled to the polar regions and enjoyed trying on lots of the fur coats etc. We helped Dan pack his explorer bag with a range of equipment including a compass, flint, saw and rope. We then put on our own explorer hats and ventured out on our own Polar adventure.

## Year 2

In PSHE this week, Year 2 have been learning about different emotions and how to manage them. We spent some time acting out our different emotions. We pulled some brilliant faces!

## Year 6

Year 6 were visited by Sale Sharks player Curtis Langdon. The children asked him lots of questions about his aspirations and what it takes to be a professional rugby player! We now have lots of aspiring rugby players in our midst in Year 6!
