Headteacher Comment

Thank you to all our families for turning out in such great numbers to see our different Christmas shows this week. The EYFS and KS1 children produced a fantastic performance with all our youngest children performing bravely in front of a packed audience. The singing and dancing was amazing and it was wonderful to see the children taking on individual speaking roles at such a young age. Children played their roles confidently and with great enthusiasm! I think we can all safely say that the children have made us proud! Thank you to all the children for their efforts and the staff for going 'above and beyond' to create such entertaining shows.

I would like to express our sincere thanks to all families for all your support throughout another eventful term at FGA, particularly this week with the introduction of daily testing for some classes. As a school, we have done everything we can to keep the school open and to ensure our school community stays as safe as possible. The staff in particular have been incredible, they always go above and beyond to ensure the children have the best experiences in school and this term has been no exception. The fact we have been able to keep going is due to their hard work and dedication and I am sure you will join me in saying a very big thank you to all staff in school.

We wish you all a very Merry Christmas, a Happy New Year and look forward to seeing you in 2022.

FGA Talent Club

A massive well done to the talent show club this week! They have performed two amazing shows and I am so proud! It was lovely to have the opportunity to show parents the hard work that they have put into their talents and also to showcase them to the school! A special mention goes out to the children who stepped in last minute so that their friends didn't have to perform by themselves. We have a lovely supportive bunch of children here at FGA.

Christmas Pantomime

This week the Children watched an amazing performance of Jack and the Beanstalk.

Year 5

Year 5 investigated whether the size of a fulcrum affected the force acting upon an object. Pupils were able to conduct their test and explain the results of this investigation using scientific language.

KS1 Christmas Performance

Thank you to all the parents who supported their children and came to watch their special Christmas performance! The children were amazing!
