Headteachers Comment

This week Y2 completed their SATs tests. Well done to all the children for concentrating so well and performing to the best of their ability. Thank you to all the staff for supporting the children through the process and ensuring it was a positive experience. Children still have one test to complete next week.

To celebrate the end of Y6 SATs, Mr Dunstan kindly arranged a football match between Partington Central and Forest Gate for those who wanted to take part. The remaining children had a cinema afternoon with popcorn. Thank you to the staff for arranging this between the schools so that the children could relax after a busy week of tests.

Thank you to all of the parents who came to our science open morning today. It was lovely to see so many people attending and sharing the love of science we have as a school.

Finally, we continue to try and improve attendance and punctuality. Please notify the office if your child cannot attend to let us know the reason. Please continue to try and book any medical appointments outside of the school day or as late in the school day as possible to prevent missed learning.
Many Thanks
