Headteachers Comment

Congratulations to our Year 6 children for their achievements in the Year 6 SATs tests. It has been a challenging journey through their last few primary school years. They have worked hard to catch up on missed learning to reach the expected standard. It's not been easy but they have tried hard and worked to the best of their ability. Year 6 has seen these children dedicate themselves to completing extra interventions, boosters and homework to make sure they achieved well. Well done to all the staff and pupils. We hope you are all proud of your results!

This week, our Year 6 pupils attended Broadoak as part of their transition up to high school. This prepares them for the next stage of their education and helps them to understand what to expect in September. Thank you to all the staff at Broadoak for making all the children feel so welcome.

We welcomed work experience students this week to complete their placements. Each student was allocated to a class and has worked as a member of staff, supporting staff and pupils. Thank you to all the work experience students who have proved themselves to be punctual, hard-working and reliable throughout the week. We hope this serves them well as they consider their future employment opportunities.

Many Thanks

Reception Trip

Reception Class had a fabulous day visiting St. Anne's Lifeboat Station and beach. They learnt about the role of the RNLI and how to stay safe in and around water. They particularly enjoyed their picnic lunch and ice cream and playing on the beach and paddling in the shallow sea.

Dates for your Diary

Monday 17th July – Meet the teacher 3.10pm

Wednesday 19th July – Whole school picnic lunch

Thursday 20th July – Year 6 Leavers Assembly 2.30pm

Friday 21st July – Finish for Summer 1.30pm

Tuesday 5th September – Return to school

Year 4

In art, Year 4 have been designing and making Maya style masks. Last week, they completed their designs taking inspiration from different Maya designs and this week they began to use different techniques to create a 3-D sculpture. I'm sure you'll agree the masks would be fierce in battle!

Music

Mrs Pullen was pleased with our new pianos ready for children to access during their music sessions in September!

Reception

Reception enjoyed their time in year one for their transition morning. They played collaboratively, wrote some super sentences and created a masterpiece for our aspiration display! I look forward to welcoming them in September.

Last Day of Term

On Friday 21st July, our last day, children can come to school dressed in England colours or any other country taking part in the Women's World Cup! PE kits can also be worn.

IMPORTANT REMINDER

We finish at 1.30pm on Friday 21st July.
